School Internet Agreement for KS2 Pupils

Name of child: _____ Class: _____

This is to be read through with your parent(s) and then signed. You will be allowed Internet Access after this is returned to school.

- At Batheaston Primary School we expect all pupils to be responsible for their own behaviour on the Internet, just as they are anywhere else in school. This includes materials they choose to access, and language they use.
- Pupils using the World Wide Web are expected not to deliberately seek out offensive materials. Should any pupils encounter any such material accidentally, they are expected to report it immediately to a teacher.
- Pupils to use the Learning Platform appropriately, both in school and at home.
- Pupils are expected to use appropriate language in their email communications and contact only people they know or those the teacher has approved. It is forbidden to be involved in sending chain letters.
- Pupils must have received permission before accessing the Internet.
- Pupils should not access other people's files unless permission is given.
- Computers should only be used for schoolwork and homework unless permission has been granted otherwise.
- No program files may be downloaded to the computer from the Internet.
- No programs on disc, CD ROM's, memory sticks or other recording materials (cameras or mobile phones) should be brought in from home for use in school.
- Personal printing is not allowed on our network.
- No personal information such as phone numbers and addresses should be given out, and no arrangements to meet someone made unless this is part of an approved school project.
- Pupils consistently choosing not to comply with these expectations will be warned, and subsequently, may be denied access to Internet resources.

I have read through this agreement and will encourage my child to abide by it
