

EVACUATION DAY

Dear Parents,

The children and staff of Cherry, Willow, Maple and Oak Classes are really looking forward to our very special Evacuation Day on Tuesday (6th March). We would like to give you a little bit more information about the day so that you and your children are fully aware of the main details.

Key Information

- The children will need to go straight into the hall for registration. Normal class-based EMT will not happen on Evacuation Day. The children will go straight from the hall to a new setting for their first exciting activity!
- Play and lunch times will be as normal.
- Weather permitting, the children will be going into the countryside at some point during the day and playing some 1940s style games. Please make sure your child comes to school in sturdy shoes that you don't mind them playing outside in.
- If the cold weather remains this severe, please make sure your child has a coat, scarf and gloves with them.

And finally, an invitation...

- We would like to invite you into school for a short performance at 3pm on Tuesday.
- The children will have prepared a short song to perform to parents in the hall and there will be an art gallery featuring work created by all of the children.
- If you are unable to make it down to school early / at all, we will take photographs of the art work and we can video the song for you to see at a later date.

With best wishes,

Katie, Kate, Kim, Jo and Sian.
