Harvest Festival

Dear parents,

We are soon going to be celebrating our annual Harvest Festival at Batheaston Primary School. This year we are asking the children to bring in gifts of food which will be given to the Bath Food-Bank. Today a representative from the Food-Bank gave a short presentation in our whole school assembly about how the children's donations would be distributed. The representative also explained that the Food Bank is especially short of the following:

Tinned Meat

Tinned Soup

Pasta Sauce

Tinned Fruit

Coffee (small jars)

Sponge Puddings

Milk (Longlife)

However all donations of tinned food, soups, dried packet foods or jars would also be very welcome.

If you would like to help us celebrate by donating a gift, please send the gifts into class with your child by **Tuesday 10th October** ready for our church service.

Many thanks,

Jenny Enstone
