

Important Information for Maple Class in 2018

Dear Parents,

I hope you are all well and enjoying the start of 2018. Thank you for your kindness and generosity at the end of last term; I am so very grateful for all of your lovely words, cards and gifts. I am looking forward another busy term with Maple Class! There are several bits of key information in this letter so please read this carefully and make note of key dates.

Residential Trip to Folly Farm

This exciting trip is still a while away but I would like to announce that the dates of this trip will be Tuesday 22nd - Wednesday 23rd May.

I will be writing to you again soon with details of cost, dietary requirements and so on but please make note of these dates for the time being. As I stated at the beginning of the year, the price of this trip is predicted to be approximately £110.

Our Performance at the egg theatre

I have met with the director of creative learning this week and we are very close to confirming a performance date in April. I will provide you with a confirmed date as soon as I can. We have found a script which links beautifully with our current learning and I am very excited to introduce it to the children in a few weeks.

This exciting project is expensive and will cost about £600 (this includes expert coaching, script purchase, use of the egg and much more). We therefore need to raise as much money as possible, together. If you would like to help with this fundraising in any way, I would be ever so grateful. The children and I will be thinking of fun ways to fundraise soon and then I will write to you again. Ideas might include cake sales, sponsored events, 'grow a pound' challenges and much, much more! The more money we can raise, the money we can add to this experience for the children so please come and see me if you have any thoughts.

Homework routines

Please continue to support your child to return their reading log and homework on time; this is an important step in preparing them for the demands of Year 6 and beyond. Very few children handed their signed reading logs in this week. If your child cannot find their log or there is a problem with this routine, please come and see me. Thank you for your support.

Maths Homework

We have cancelled our subscription to My Maths and all maths homework will now be given to the children inside their homework books. Maple Class will be marking this as a class on Monday so it is vital that all children have completed this work and have it with them on Monday morning.

Wishing you all a Happy New Year!

With best wishes,

Sian.
