

## Upper Key Stage 2 Maths and PE Workshops at The Royal High School

Dear Parents

I am pleased to inform you that Year 5 and 6 will be attending a day long trip to The Royal High School on Wednesday 22<sup>nd</sup> November. We have been invited into the school for the day to enjoy an exciting combination of maths activities and PE fun (specifically designed to complement each other) with specialist teachers alongside some enthusiastic and carefully selected secondary school children.

We will be continuing to work in partnership with The Royal High School over the academic year and will be visiting them twice more (dates to be confirmed). All three trips are free of charge - coach travel there and back as well as a hot lunch will be provided for the children. I'm sure you'll agree that this is an exciting and memorable way to explore maths and PE!

### Details of the day (22/11/17)

- We will be leaving on the coach after 9am so all children need to come into class as usual first.
- Please make sure your child comes to school wearing their PE kit with warm layers if required (school colours, please) and school appropriate shoes that they can do PE activities in.
- Your child does not need to bring a packed lunch but will need water/squash in a drinks bottle and snacks.
- We will return before the end of the day so please pick up from school as normal.

Please sign the consent form below and return to the school office or your child's teacher by Friday 17<sup>th</sup> November.

With best wishes, Sian and Kim.
